Sea Duty Incentive Pay or Voluntary Sea Duty Program?

- SDIP is used to remain at sea or return to sea early. SDIP is paygrade and NEC specific. For more on SDIP, visit: <http://www.public.navy.mil/BUPERS-NPC/CAREER/PAYANDBENEFITS/Pages/sdip.aspx>
- Voluntary Sea Duty Program (VSDP) can be used by anyone, but not in conjunction with SDIP. It only curtails shore duty with the ability to request a follow-on geographical location.

For more about VSDP, read: <http://www.public.navy.mil/bupers-npc/reference/messages/Documents/NAVADMINS/NAV2012/NAV12205.txt>
