

On the Minds of the AG Detailers:

Are you an AG wanting a change? We need METOC Forecasters! Talk to your detailer about AG-C School and earning the 7412 NEC. There is no cross rate opportunity, but there are opportunities in Rate. If you are ready to take the next step in your METOC career please contact your detailer, via your chain of command, for available school dates.

Interested in Oceanography? Billets are NOW available for Naval Special Warfare. Contact your detailer before entering your CMS window. If you are in your CMS window, (7-9 months prior to your PRD), you should be applying for billets. If you are interested in any special program, please ensure you contact the detailer prior to entering your CMS negotiation window.
